Erasmus+ Programme
of the European Union

- The LLL center at Comrat state University was approved by the Order of the Ministry of Education, Culture and Research of the Republic of Moldova on December 21, 2005.
- Initially, the University received the right to organize courses only for teachers of Gagauz language and literature.
- Currently courses are held in 23 specialties.
- More than 1000 listeners for the whole period of work

COMPASS
Towards European University
Lifelong Learning in Moldova

MISSION

Development and
modernization of the
regional system of
continuous education of
didactic personnel

Co-funded by the
Erasmus+ Programme
of the European Union

The LLL center implements its activities through the following forms:

advanced training courses

specialization courses - acquisition of knowledge and skills in a narrow direction of any kind

acquisition of additional qualifications - obtaining special knowledge and skills for a new occupation close to the previous specialty
