

INTRODUCTION:

Welcome to the COMPASS survey on University Lifelong Learning (ULLL) in Moldova!

Thank you for accepting to collaborate in the collection of data. It will help us to identify the gaps in Moldavian ULLL and to plan useful and practical training for you. We assume that all the users of this survey will be managerial staff from Moldavian universities which have already in place some form of ULLL strategy and structure. In the case your institution is still at the stage of developing the first concept of ULLL strategy and structure, please explain this in section 1.1, under "Other" and we will have it into account. Thank you.

7. Perspectives of development:

7.1 Can you identify the key features of the LLL University that you would like to create for the future?

Please explain:

The main features of the ULLL are largely interspersed with the indicators of progress:

- Increase of number of students enrolled in courses;
- Extension of the age category of the applicants;
- Expanding target groups;
-

7.2 What indicators would you use to measure progress towards this ideal?

Please comment:

- Number of students enrolled in courses;
- Extension of the age category of the applicants;
- Expanding target groups

7.3 What do you think about the following definition of ULLL? Do you think it matches your own institutional view of ULLL? Partially? Totally?

ULLL is the provision by higher education institutions of learning opportunities, services and research for: the personal and professional development of a wide range of individuals - lifelong and lifewide; and the social, cultural and economic development of communities and the region. It is at university level and research-based; it focuses primarily on the needs of the learners; and it is often developed and/or provided in collaboration with stakeholders and external actors

Please comment:

The following definition of ULLL matches totally the institutional view of ULLL, the staff of Alecu Russo Balti State University fails to respect the values and challenges of the society and to provide favorable opportunities for the economic and social development of the region and the country.
