The methodology of programs and curriculum development in continuing professional training of teachers OMEER nr. 92/2019

Status-quo

Providers of continuous education

- ▶ 1047 - entities (public institutions, from businesses, NGOs, driving school, etc.)
- ▶ Among them:

95% in urban / 5% in rural areas
and 69% in Chisinau

- ▶ 79 entities have accredited programs

Current Issues:

- ▶ Lack of an effective quality assurance mechanism;
- ▶ The lack of a vision about LLL at the decisional level;
- ▶ Lack of Qualifications Framework for non-formal education;
- ▶ Fragmented system of bidding institutions.

105 programs

The majority for the teaching staff

28 authorized

77 accredited

Vision about further development

Raise the common understanding

build confidence in the usefulness and importance of the process (ULLL)

Set up the Regulation on validation of prior learning in Universities

now the system provides such kind of opportunities only for VET

and Tools

more autonomy and more flexibility for quality assurance mechanisms
